*THESE TRIALS ARE DEDICATED TO THE MEMORY OF
LONG TIME ODTM MEMBER
MARION MCNIVEN*

I had the pleasure of meeting Marion for the first time in the late 80's at Pat Giberti's tracking classes. I was immediately drawn to this woman and her gigantic German Shepherd, Cody, unfolding themselves from a red Alfa Romeo. For those more familiar with dog breeds, it is a very small two-seater Italian sports car. It was the beginning of a wonderful friendship for the next 35 years which centered around tracking, obedience training, hiking, dog camp and even our love of felines.

Marion loved tracking her dogs and said it was their favorite thing to do. Of course, it was also Marion's favorite thing to do with them. She had many successes in tracking over the years, and even when her eyesight no longer permitted her to drive to lessons, she would have her driver take her German Shepherd (she was true to the breed) and herself to her lessons. Marion was well known for her delicious homemade cookies that were thoroughly enjoyed at our tracking tests, was a tracklayer at our tracking tests and served on the Board of Directors for ODTM for years.
